Hi Mark,

You demand letter was received. We are seeking further clarification on what may be released. If that should differ from what was already provided, we will send that over. As of now, it is my belief that we have provided you all that we are currently able.

It would be my stance that a PRR to NHC does not grant you information about another entity or pulled by another entity, therefore I will not be able to provide you that information. Please feel free to contact each agency you believe uses FLOCK & request that information from them.

Additionally, we are unable to provide information about which deputy pulled the information, as they are provided an anonymous entry code, which if released, may not remain anonymous. The second piece is the piece that we are seeking clarification on though.

I am at the mercy of someone else's time frame for a response but will provide you an update next Monday.

Thank you,

Karen Richards
